### **New world record – Net Entertainments slot game Mega Fortune™ pays out 17.8 MEUR**

Mega Fortune™, the popular online slot game from Net Entertainment, on January 20 paid out the biggest online jackpot in the world to date. This time the jackpot amounted to about 17.8 MEUR. The winner is a 40-year old male in Helsinki who played at the Åland-based operator Paf.

Mega Fortune™ is a progressive jackpot and part of Net Entertainment's jackpot network, where the liquidity from players from many of the largest European online casinos are pooled.

"This is the second time that Net Entertainment's games give a winner the world's largest global online jackpot. The high liquidity that Net Entertainment's progressive slots offers, result in very rapid jackpot buildup, and is a very good tool for the operators to attract players. We congratulate the winner and Paf to this big win, and look forward to hopefully making many more players millionaires in the future.", says **Per Eriksson**, CEO at Net Entertainment.
