PRESS RELEASE

The number of shares in Net Entertainment NE AB after automatic redemption of shares

The share redemption procedure that was resolved by the Annual General Meeting on 18 April 2012 is now completed. After redemption, the total number of shares amounts to 39,553,716 (of which 5,610,000 are class A-shares (with ten votes per share) and 33,943,716 class B shares (one vote per share)).

The redemption process was initiated with a share split 2:1 after which half of the shares in each share class were so-called redemption shares. All of these redemption shares were redeemed in May for 2.00 SEK per share. The number of outstanding shares and votes are now the same as before the redemption process began.

This is information that Net Entertainment NE AB must publish according to laws governing trading in financial instrument.
