## NetEnt approved for Spanish licenses

**NetEnt, leading provider of online gaming solutions, has been granted its gaming licenses to operate on the Spanish market from the Directorate General for the Regulation of Gambling.**

Today NetEnt announces that the Company has been granted both a general license for the operation of online games and a singular license for slot games for the Spanish market by the Directorate General for the Regulation of Gambling (DGOJ). This is following an extensive application procedure to ensure that NetEnt meets all requirements and conditions necessary for obtaining the licences.

Per Eriksson, President and CEO of NetEnt, comments: *“This is an important step for NetEnt and a fine example of our ability to deliver on our growth strategy to expand on regulated markets. We are very pleased to have been approved for Spanish licenses by the DGOJ. Spain is a promising online gaming market with great opportunities for NetEnt.”*
