## PRESS RELEASE

### Net Entertainment signs agreements with leading bingo operator

**Net Entertainment has signed a license agreement with a well established bingo operator. The company, which at this point would like to remain anonymous, has rapidly established themselves as one of the leading bingo operators on the Swedish market.**

“Operators are more careful and thorough when choosing software supplier nowadays and the fact that we managed to sign this agreement in fierce competition, is a proof of the high quality of our product” says Johan Öhman, CEO for Net Entertainment.

The company, who today has a significant amount of registered players, is currently applying for a gaming license in Malta. Planned launch for their casino is early quarter 2, 2008.

Johan Öhman continues; “Our continued sales success and in particular to the bingo segment is extremely invigorating. This agreement enhances our position as the leading casino supplier to bingo operators.”

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B).
