## PRESS RELEASE

### 2 new license agreements for Net Entertainment

**Net Entertainment has signed license agreements with Smart TV Broadcasting Ltd. and leading bingo group for delivery of the award winning CasinoModule™.**

The bingo group includes the sites: [www.bingoliner.com](http://www.bingoliner.com), [www.bingocafe.com](http://www.bingocafe.com) and [www.bingocabin.com](http://www.bingocabin.com), with collectively over 350.000 registered users. CasinoModule™ will be implemented during quarter two, complementing the group's current product offering. "Casino games are a core part of our offering and we believe that the high quality games from Net Entertainment would not only attract new players but also increase player loyalty and yield" says a representative from the group.

Smart TV Broadcasting Ltd. operates [www.smartlivecasino.com](http://www.smartlivecasino.com), and aims to push the boundaries of TV and Internet gaming giving players the ultimate interactive casino experience. Net Entertainment's CasinoModule™ has been chosen by Smart TV Broadcasting Ltd. to represent their flash based casino offering. "Our operation has grown substantially since it's inception and we are confident that the CasinoModule™ will help us grow our business even more" says Dominic Bourke, Casino Manager at Smart TV Broadcasting Ltd.

"The world of online gambling continues to evolve with new and different requirements as a result. Analysing and understanding player behaviour is therefore critical to remain competitive. I am proud to welcome yet another two new licensees as our partners which strengthens our position as the no1 casino supplier in the industry and equally broadens our market reach" says Johan Öhman, CEO at Net Entertainment

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B). More information about Net Entertainment is available on [www.netent.com](http://www.netent.com).
