## PRESS RELEASE

### Victor Chandler launches their Net Entertainment Casino

**Net Entertainment signed a license agreement with Victor Chandler for the delivery of its award winning CasinoModule™ in July. The new Victor Chandler Casino has been launched today, Thursday December 11, 2008.**

The Victor Chandler Group is one of the world's leading sports betting and online gaming companies. Founded in 1946, Victor Chandler has come to be one of the most respected and reputable operators in the industry serving players in over 160 countries.

"Given the size of our business it is crucial for us to work with software that is stable yet flexible. VCCasino.com is a core part of our product offering and we were very pleased to seal a strategic partnership with Net Entertainment. Now that we have launched our new casino, we are fully expecting significant growth through 2009" says Michael Carlton, CEO at Victor Chandler.

"We were delighted to have reached this agreement with Victor Chandler, one of the most well known and largest gaming operators in the world. The agreement is further evidence of Net Entertainment's ability to attract high profile licensees to its client base" Says Johan Öhman, CEO at Net Entertainment.

Johan Öhman continues "It was a milestone for Net Entertainment. Not only did we manage to sign an agreement with Victor Chandler but we also took a large step into the UK market with a prominent UK brand. This proves yet again that we are market leaders in browser based casino software".

The casino is available at <http://casino.victorchandler.com/vccasino>

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises of a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B). More information about Net Entertainment is available on [www.netent.com](http://www.netent.com).
