## PRESS RELEASE

### **Net Entertainment has been approved for listing on NASDAQ OMX Stockholm**

**The Stockholm Stock Exchange listing committee has approved Net Entertainment NE AB for listing on NASDAQ OMX Stockholm. First day of trading will be January 13<sup>th</sup> 2009.**

The listing means that the trading in B-shares is moved from the marketplace NGM Equity to NASDAQ OMX Stockholm. First day of trading is January 13<sup>th</sup> 2009. The listing of Net Entertainments B-share on NGM Equity thereby ceases and last day of trading on NGM Equity is on January 12<sup>th</sup> 2009. The Company's shareholders do not have to take any action in connection with the listing on NASDAQ OMX Stockholm. No issue of new shares is taking place in connection with the listing on NASDAQ OMX Stockholm. The share will be traded under the same short name as before; NET B, ISIN-code SE00 0108 9252.

"Net Entertainment has during the last five years showed a strong growth rate and rising profitability. The listing on NASDAQ OMX Stockholm constitutes a quality stamp and is implemented to further improve the brand and Net Entertainments position among customers, coworkers, investors and media as well as improve the possibility to use the share as payment in connection with potential acquisitions" says Johan Öhman, President and CEO of Net Entertainment.

A listing document (in Swedish only) will be available December 22<sup>nd</sup> 2008 at 9.00 am at the company website; [www.netent.com/noteringsdokument](http://www.netent.com/noteringsdokument) and [www.penser.se/netent](http://www.penser.se/netent). In the listing document the following financial goals for Net Entertainment are included which has not yet been publicized:

The market for online based gaming in Europe is expected to grow with more than 20 percent in average during the next years. Net Entertainments financial goal is to grow more than the market with a sustainable operating margin exceeding 30 percent.

We want to take this opportunity to thank Erik Penser Bankaktiebolag that has acted as financial advisor in connection with the listing process for a well executed work.

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises of a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B).
