PRESS RELEASE

Paf launches Net Entertainments CasinoModule

Following a smooth integration process, the launch of the CasinoModule™ on www.paf.com was done this week.

Founded in 1967, Paf is a gaming entertainment operator with an Åland government granted gaming license that develops and operates gaming both online and offline in selected markets. Paf's online operation was launched in 1999 and has today well over 500.000 registered players. In 2008, Paf generated a gross gaming yield of 88,4 Million Euro.

"I am very pleased that we have now launched the Net Entertainment CasinoModule™, I am confident that this is another cornerstone in order to further strengthen our offering and execute our expansion strategy" says Thomas Lundberg, director at Paf and responsible for the Paf.com business area.

Net Entertainment's CEO Johan Öhman says; "The ease of integration is one of the key benefits with CasinoModule™. I am delighted to announce the launch of CasinoModule™ on www.paf.com and look forward to a long lasting and successful partnership with Paf".

Net Entertainment is a premium supplier of digitally distributed gaming systems used by some of the world's most successful online gaming operators. The core product, CasinoModule™, is a complete gaming platform comprising high quality games and a powerful admin tool. Operators are provided a customized solution that is easily integrated ensuring short time to market and a cost efficient operation. Net Entertainment is listed on NASDAQ OMX Stockholm (NET-B). More information about Net Entertainment is available on www.netent.com.
