NetEnt's Asgardian Stones™ to immerse players in mythical quest

NetEnt, leading provider of digital gaming solutions, has unveiled its newest fantasy-based game, Asgardian Stones™, which delves into the realms of Nordic mythology and includes industry first crush features.

The 5-reel, 3-row, 20-bet lines video slot sets pulses racing as it takes players into magical surroundings, where only the bravest warriors can live amongst the Gods.

The mystic game includes a Colossal Crush feature, where colossal symbols crush those underneath releasing their energy to increase the win multiplier, as well as a free spin wheel that crushes symbols and rows.

The brand-new Colossal Crush feature is an industry first and showcases that NetEnt continues to lead the way in the online casino world with innovative games and gaming experience.

With an atmospheric Norse soundtrack, players will be immersed into a game filled with twists and turns as they attempt to overcome the colossal giant stones to gain entry into the enchanted world.

“Our team has worked tirelessly during the process of designing and creating Asgardian Stones™ and really look forward to see the game finally out with players all over the world,

“The Colossal Crush feature is an industry first and only adds to the excitement this game offers, so we can’t wait to see the reaction from the gaming world as we continue our positive start to 2018.” said **Henrik Fagerlund, Chief Product Officer of NetEnt.**
