NetEnt, leading provider of digital gaming solutions, has continued its jackpot hot-streak after another lucky player from Sweden dropped a massive win when €3,773,845.27 was collected while playing Mega Fortune™ on LeoVegas casino.

The winner from Sweden had staked just €4.80 before going on to take the €3.7m jackpot on NetEnt's popular jackpot game Mega Fortune™ in early May.

This latest big win showcases that NetEnt continues to lead the way in jackpot games with a massive 5 millionaire-making jackpots dropping in 2018 alone, paying out an astonishing €19,799,183 so far this year.

Henrik Fagerlund, Chief Product Officer of NetEnt, said: "The jackpots just keep on coming and we're happy to see another player scoop a life-changing amount of money while playing our games.

"At NetEnt, we thrive on providing moments like this for operators and players alike, and hope that our good luck continues as we head into the summer."
