NetEnt games deliver more seven-figure prizes through Arabian Nights™ and Mega Fortune Dreams™

NetEnt has helped provide two more huge jackpot wins this month, with two lucky players scooping over €5.5m between them.

Mega Fortune Dreams™, NetEnt's five-reel, three-row, 20-line video slot, paid out over €4.25m to a player in Belgium on Sunday 12th June from a bet of €1. The jackpot dropped on Unibet casino.

This was closely followed by another big jackpot win a few days later on EuroCasino, when Arabian Nights™, one of NetEnt's progressive pool slot games, paid out more than €1.4m to a winning player on Tuesday 17th June - again from a €1 spin.

The latest jackpot wins mean NetEnt's games have led to seven million-euro pay-outs to players this year alone.

Henrik Fagerlund, NetEnt Chief Product Officer, said: "We are proud to give players the chance to change their lives and enjoy such large pay-outs on our games, all from just one spin. We are sure there will be many more chances for big wins over the summer as we continue to offer games with sizeable jackpots and bonuses to our customers."
