NetEnt games live on the regulated market in Lithuania

NetEnt, leading provider of digital casino solutions, continues to grow on regulated markets worldwide and has now launched its award-winning games on the regulated market in Lithuania.

Following successful technical integrations, NetEnt has now launched a selection of its game portfolio with the first customer in Lithuania, TOP sport, which is the largest betting company in the country.

"We follow our growth strategy by strengthening our position on regulated markets and we are very pleased that our popular games are now also available for players in Lithuania", says **Henrik Fagerlund, MD NetEnt Malta and Chief Product Officer of NetEnt.**
