It's Jingle all the way as NetEnt launches seasonal slot

The countdown to Christmas is on with NetEnt's new release, **Jingle Spin™**.

Christmas characters and delightful decorations take over the reels in Jingle Spin, together with the loud and quirky Santa Claus and his helping dwarves, the players collect baubles to unlock a series of festive features.

The fun-filled, 5-reel, 3-row, 20-fixed lines video slot celebrates the holiday mood as it spreads joy with its feel-good graphics and soundtrack. Jingle Spin also features a free spin mode with infinite retriggering free spins that delivers exciting action.

Jingle Spin adds to NetEnt's blockbusting seasonal slots portfolio, which includes Secrets of Christmas™, Fruit Shop™ Christmas Edition and Flowers™ Christmas Edition.

"Players love to play our themed games throughout the year – they are always popular around important calendar events as well as a good time afterwards – who doesn't want that Christmas feeling in June?", says **Bryan Upton, NetEnt Director of Game Products**.

"Jingle Spin captures the magic of Christmas and, with people getting in the holiday spirit, is a fun addition to our other festive titles."
