## NetEnt merges magic and mystery in latest title Golden Grimoire™

Nothing is as it seems in NetEnt's newest slot release, the dimension-defying Golden Grimoire™, which takes players to another world of mysterious spins.

Moments of magic await in the 5-reel, 4-row, 20-fixed lines video slot, where symbols are transformed and can cover the whole row in winning combinations, thanks to a theme based around The Golden grimoire, a powerful book of spells and sorcery and symbol transformation.

Golden Grimoire is a Medium volatility title that features Mystery symbol transformation, Wild Substitution and Free Spins with Sticky Mystery Symbol transformation – with high potential for blackout wins.

This is a labor of love, with the game's artists appearing in various pentagrams and glowing symbols on the walls. Also, the game team's logo is visible on the book in the main game. The names of the creators which made the game appear in the magical seal.

“Golden Grimoire opens the portal to another world full of ancient magic and mystery where anything can happen. The game builds suspense with every spin – if there's one thing players should expect, it's the unexpected!” said **Bryan Upton, NetEnt Director of Games.**
