# NetEnt invites players to give its marvelous money machine a spin with Cash-O-Matic™

Cash-O-Matic is an adventure packed with Free Spins and Multipliers.

NetEnt's Cash-O-Matic is a 1024-bet way, 5-reel, 4-row video slot designed with the look of an old-style cash machine and loaded with game mechanics.

The new, retro-looking title has flipped NetEnt's proprietary Avalanche™ feature on its head. Now operating in reverse, Avalanche™ sees all winning symbols remain on the reels, while the rest disappear.

Cash-O-Matic is full of Free Spins and Multipliers. The number of Free Spins awarded equals the amount of Scatter symbols collected, with a minimum of 10 Free Spins there to be won. With Scatter lengths of up to 18, the number of Free Spins can get really high.”

In the main game, the Level Multiplier is awarded if at least one row is filled with winning symbols. The more rows, the higher the Multiplier value. In Free Spins, the Multiplier depends on the number of Scatter symbols that activated Free Spins and can go as high as x50.

“We're pleased to present Cash-O-Matic, a true homage to the first slot machine, the Liberty Bell. High volatility reverse Avalanche™ action, Free Games, Scatter Stacks and Multipliers in a very simple and elegant art package. A game for the VIP players out there.” **said Bryan Upton, NetEnt Director of Games.**
