NetEnt boosts jackpot games offering with Grand Spinn™ and Grand Spinn Superpot™

Two versions of Art Deco-themed slot will ensure enjoyment for all player types

The luxury and glamour of the age of Art Deco are at the fore in unique dual release of Grand Spinn™ and the progressive jackpot version Grand Spinn Superpot™ .

Each and every spin of the 3-reel, 1-line video slot can potentially trigger a jackpot win, and Multiplier Wilds, combined with second chance nudging reels, may bring down the rain of golden coins.

Grand Spinn Superpot™ with its progressive jackpot adds to NetEnt's growing collection of jackpot games, including Mega Fortune, Mega Fortune Dreams, Hall of Gods, Divine Fortune, which have generated ten jackpots of over 1 million euros in the last year.

“Players might be stepping back to the 1920s in our Art Deco-inspired Grand Spinn, but the size of the potential prizes and jackpots on offer in Grand Spinn Superpot are very much from the 21st century. As a dual release, no matter a player's pay-out style preference, there's a version for them. There is a strong need for simple yet entertaining games with unique features – these two games do exactly that, with some style of course!” **said Bryan Upton, NetEnt Director of Games.**
