NetEnt creates adrenaline-fueled frenzy of slot excitement with Reel Rush 2

Souped-up sequel to Reel Rush is packed with fun and features galore

NetEnt's latest release, Reel Rush 2, has taken the best parts of the 2013 hit prequel and added a bunch of fun-filled extras and social gaming-inspired mechanics.

It is a frantically-paced, 5-reel video slot with 3125 betways, set in a crazy, colorful, video game influenced world of juicy candy, cube-shaped fruit and starry wilds. It features Wild Substitutions, Re-Spins, Free Spins and Super Free Spins – as well as a whole new set of eight Random Features where anything can happen.

With more NetEnt innovation, when free spins are triggered, players are offered three choices: Buy Super Tokens, gamble all Super Tokens for more super tokens to upgrade to Super Free Spins or continue to regular Free Spins. This gives players a degree of decision-making that blends odds with strategy to create a different, innovative way of playing.

“The original Reel Rush was a frenetic experience, loaded full of madness and mayhem. Players loved it so much that we've turned the dial up to 11!” said **Bryan Upton, NetEnt Director of Games**.

“Reel Rush 2 is a game for everyone: a top prize of 25,000 times your stake will attract savvy players, while the high-entertainment factor will appeal to casual players and video game enthusiasts. We have designed an innovative Super Token system that we believe offers players more choice and control over their Bonus experience, this is another exciting first for the industry from NetEnt.”
