## NetEnt Live ensures product integrity with Live Fraud Solutions partnership

### NetEnt Live integrates Live Fraud Solutions (LFS) to optimize anti-fraud measures

NetEnt has partnered with live dealer product protection specialist Live Fraud Solutions (LFS) to minimize risk and enhance game integrity across its NetEnt Live portfolio.

Through the platform's proprietary tools, NetEnt Live will increase its focus on equipment integrity, player behavior analysis, integrity checks and improve risk credibility.

Following the LFS integration, stringent processes are in place to detect advantage play methods such as card counting and tracking, roulette prediction, robot play and bonus abuse, as well as outright cheating, collusion and shuffle quality analysis

"We are committed to maintaining the highest levels of integrity to offer the safest and fairest live gaming experience for operators and players. This involves us constantly reviewing our offering and adding Live Fraud Solutions' tools to NetEnt Live advances these capabilities to be the most robust possible," said **Andres Rengifo, Director of NetEnt Live**.

"As a global industry leader, we are delighted NetEnt has chosen to partner with Live Fraud Solutions. We look forward to working closely with the NetEnt Live team to deliver a product that achieves the maximum levels of integrity," said **Toms Andersons, CEO of Live Fraud Solutions**.

In addition to integrating Live Fraud Solutions, NetEnt Live has also gone from six to eight decks on its Blackjack tables to further improve the gaming experience for players.
