## NetEnt unveils new horror slot The Wolf's Bane ahead of Halloween

Beware the wicked werewolves in The Wolf's Bane – NetEnt's dark and sinister new title that stands out from the pack

NetEnt has launched a spooky new slot, The Wolf's Bane, where players take on the perspective of a fanged, clawed menace.

Released in time for Halloween, The Wolf's Bane is set in a ravaged 18<sup>th</sup> century village. The 5-reel, 3-row, 10-payline video slot sees contains wild substitutions, free spins and a bonus pick-and-click feature.

The eerie atmosphere is increased by the blood red full moon illuminating the reels, which are haunted by nightmarish nurses, creepy clairvoyants, ghastly gravediggers and scary soldiers.

“The Wolf's Bane is a beautifully designed slot that will make your hair stand on end. It's launch has been timed to coincide with Halloween but it's a game with a classic theme that we expect to have great longevity and wide appeal thanks to its proven game mechanics,” said **Bryan Upton, NetEnt Director of Games**.
