NetEnt brings a battle of Christmas spirit to the North Pole in Santa vs Rudolf

Supplier extends its holiday season catalogue with wonderful win-both-ways video slot

NetEnt is marking the most magical time of the year with the release of Santa vs Rudolf, bringing fun and festive cheer to the slot experience.

Set deep in the snow dusted North Pole, the 5x3, 20 fixed-payline slot invites players to help Santa find his magic hat, hidden by the mischievous Rudolf, in time to deliver presents across the world.

Santa vs Rudolf features two enticing Santa's Gifts and Rudolf Spins Bonus Features and is packed with Re-Spins, Free Spins Wild substitutions and Walking Wilds, making for an incredibly exciting gameplay that will lighten up the holiday celebrations.

With candy cane, sleigh bell and reindeer symbols decorating the reels, this beautifully designed slot offers huge win opportunities and magnificent prizes with a 96.35% Return-To-Player.

“Santa vs Rudolf is following on from the huge success and laughs of Jingle Spin and a merry addition to our seasonal portfolio that perfectly captures the joy and cheer of this holiday season. Santa vs. Rudolf continues the humorous trend with goofy antics from our two favorite holiday heroes battling it out for seasonal supremacy. This narrative will be hard to resist even amongst the scrooges in our player base! Happy Holidays!” said **Bryan Upton, NetEnt Director of Games**.
