NetEnt scores hattrick at Southern European Gaming (SEG) awards

NetEnt was crowned Best Online Casino Provider, Best Live Casino Provider, and Best Support for Responsible Gambling at the prestigious SEG ceremony in Milan on Friday.

Established to celebrate the industry's major achievements of 2019, the Southern Gaming Awards welcomed representatives at the Radisson Blu Hotel Milan as part of the European Gaming Congress which took place in the Italian capital last week.

NetEnt's accolades are a testament to the company's marked success in the last 12 months with groundbreaking releases that continue to raise the bar of Live Casino and online slots content.

Recognition was also given to the supplier's commitment to responsible gambling and the innovative tools it has created to better protect players.

"We are delighted to be taking home three of the SEG's esteemed awards after what has been a monumental year for NetEnt in Southern Europe. Our achievements in progressing our Live Casino and online portfolio, together with our responsible gaming developments, are thanks to the dedication and talent of our teams across the company. It is fantastic that this hard work has been recognized at such a high level." **said Henrik Fagerlund, Managing Director of NetEnt Malta.**
